

SUMMER CAMP 2014

Friday 4th July 2014 – Sunday 6th July 2014

Directions:

Travelling up the M40: leave the motorway at junction 11 (Banbury) Take the left lane off (A422) and go a short distance to a roundabout where you should go straight ahead to another small roundabout. Go straight on again until you reach a larger roundabout where you take the right hand road which will be signposted to Southam (A423). Travel about 4 miles to Mollington. The village sign will be on your left but do not go down into the village. Go past the village turn, still travelling on the A423 go 100yds and you will come to a lay-by on the left. Turn into the top entrance where you will see a gateway signed Anita's Touring Caravan Park & Holiday Cottages.

Travelling southerly on the M40: take the same junction(11) and come off the right hand lane around the roundabout till you get to the A422(Banbury) sign and continue as above.

Travellers coming southerly on the M1 then I suggest you get on to the M69 to Coventry off of the Leicester junction(21) this will run directly onto the A46. You will reach a large roundabout (This will be the 3rd one along this stretch from the beginning of M69) Turn left onto the A45 travelling a short distance and slip off the A45 onto the A423 signposted Ryton. Travel approx 10 miles to Southam and a further 8 miles to Mollington.

The entrance is on your right as go past the first small road into the village. Turn right into the lay-by where you will see the sign.
